Just an FYI, I'm currently working on reducing the CSTAG memo to a collection of bullets, some rather long bullets. I hope to have something preliminary to you early tomorrow morning, maybe late today but I'll need to get my work under another set of eyes.

Not sure if you started that process or not.

So we are now looking at May 14 for our meeting with NJDEP in Edison. Are you available? I asked them to summarize their concerns and get it to us by May 9<sup>th</sup> so we can be productive since we are meeting so late. They agreed and are having a pre-meeting on May 8<sup>th</sup>. So if possible I would like to get them our draft RAO by am on the 8<sup>th</sup> so they can talk about those as well. Let me know how May 14 works, probably 10 – 1 again.
